INTRODUCTION

Technically inclined student with a strong foundation of both computer hardware and software, currently attending Queen's University in second year in the Computing program, with a specialization in Computer Science.

EXPERIENCE

-May 2021 - August 2021 - Intern Developer at Thinking Capital

Kanata, ON, CA

-Work collaboratively in a development team with daily meetings and goals

-Code new features to go live in production environment

-Implement bug fixes when bugs arise

-Collaborate via Zoom, Slack, Github, etc.

-Organize Zenhub tickets to ensure maximum efficiency

-Independently meet goals regarding implementation of features and bug fixes

-Work with a large team and interact with smaller sub-teams

-September 2016 - March 2020 - Hockey Referee with KMHA

Kanata, ON, CA

-Responsible for keeping the flow of the game going and enforcing the rules

-Communicate with other refs, coaches, parents and players

-Lots of training and preparation to be prepared for game scenarios

-Among the ~10% picked via interview and test process

-Requires quick decision making and decisiveness

-April 2017 - November 2019 - Cast Member at Landmark Cinemas

Kanata, ON, CA

-Prepare food and serve food to guests

-Clean theatres and the general lobby area

-Serve guests by selling tickets, helping them find lost items, answering questions, etc.

-Work collaboratively with cast members, managers and guests

-Work security for 18A and R rated movies and check IDs

-Learned work safety and basic employment skills (WHMIS, tills, persuasive selling, etc.)

-Sought out additional responsibility in requesting training for GS (guest services), and HFL (hot food licensed), which were given to more experienced employees

-September 2015 - September 2017 - Hockey Timekeeper with KMHA

Kanata, ON, CA

-Fill and submit scoresheet

-Communicate with coaches, refs, parents, etc.

-Work in a collaborative environment with supervisors as well as referees

-Problem solving due to malfunctioning clocks at some arenas

-Quick thinking to deal with any issues, due to time constraints

-Multitasking (ie. filling out the scoresheet and working the clock)

-May 2014 - August 2014 - Soccer Referee with WOSC (West Ottawa Soccer Club)

Kanata, ON, CA

-Interact with occasionally angry parents, coaches, players, etc.

-Run game alone

-Quick-paced environment with snap judgements
